

Report Title

This is the introduction paragraph with **bold** and *italic* text.

Section One

A paragraph with ~~strikethrough~~ formatting and some `inline code` too.

Section Two

- Bullet item one
- Bullet item two
- Bullet item three

1. Numbered first
2. Numbered second
3. Numbered third

This is a block quote with some important information.

Data Table

Name	Value	Description
Alpha	1	First item
Beta	2	Second item
Gamma	3	Third item

Conclusion

Some witty remark that makes you think Split over two lines!

Two-Column Layout

First Heading

This content is rendered in the **left** column. Paragraphs, lists, and other block elements work inside columns.

- Bullet A
- Bullet B

Final paragraph to close the document.

Second Heading

This content is rendered in the **right** column. The column directives are HTML comments, so other Markdown renderers ignore them.

A quote inside a column.
